

Absolutely no taxpayer money to be spent on that stadium or team

Personally I think the Team NAME is the most stupid and idiotic name!

Who in their right mind came up with YARD GOATS!!

I can hear the chant now. " LET's GO YARD GOATS BAA BAA BAA"

Unless they change the name, I will not attend any games nor do I want my TAX DOLLARS spent on them. A promise is a promise and not one to be broken for political pork barrel gains!
